

Robbed the Grave.

A startling incident, of which Mr. John Oliver of Philadelphia was the subject, is narrated by him as follows: 'I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised trying 'Electric Bitters,' and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life, and robbed the grave of another victim.' No one should fail to try them. Only 50c, guaranteed, at Pioneer Drug Store.
